EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

In the claims:

Claim 20, line 23: "means." has been changed to "means,"

3. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest, alone or in a combination, among other things, at least a distortion compensation apparatus for compensating for a distortion component generated in a device and its method as a whole, the combination of elements and features, which includes latches the comparison result of the input signal to the device and the output feedback signal from the device, and corrects and outputs one of a digital 1 bit and a digital -1 bit based on a latch value of the result as recited in the claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
